పాఠక మహాశయులకు వందనం, అనివార్య కారణాల వల్ల గత మూడు నెలలుగా పాఠకుల ముందుకు రాలేకపోయినందుకు చింతిస్తున్నాము. ఈ కారణం గానే ఆపులందరితో వినాయక చవితి, దసరా మరియు దీపావళి శుభాకాంక్షలు పంచుకోలేకపోయాం.

కొత్త రూపంలో, కొంగొత్తగా మీ ముందుకు వస్తున్న ఆప్తవాణి పత్రిక ను ఆదరిస్తారని ఆశిస్తూ, పాఠకులందరికీ మొదటిగా వినాయక చవితి, దసరా, దీపావళి, క్రిస్మస్ మరియు నూతన సంవత్సర శుభాకాంక్షలు. ఇక పదండి ఆప్తలోకాన్ని చుట్టి వద్దాం

If... stories inspire us then the story of Lord Ganesha is the most inspiring one... Ganesha is a corporate guru, NO.. I should say he is the 'Guru' for handling every situation in our life time. Many times we ignore bigger picture and push it under wraps in the name of festivities... its great to have such a fun-filled festivities but sometimes we need to see the big picture too. We (Indians) fear to ask 'Why?', whether in name of god or in school or in the place of work. The question 'why' is the start of any invention. Hinduism is not a religion, it is a way of life, it is the only 'religion' which promotes to question the very foundations of the vedas, because the guru's believed that we as one race will progress only by questioning our legacy and learning from it.....

Ganesha has big ears, he is a good listener. Always remember a good listener is always a great leader because its human psychology that we tend to like those who listens to us :-)

When the race was on for 'God of Obstacles', Kumara went on his peacock without second thought, of course he was confident and considered Ganesh slow and had a mouse as his running mate. But Ganesha chose to rely on his intelligence. He chose to see the challenge in simple terms, "I can't win the race physically, what is the alternative?"..many of us stopped thinking in terms of 'simple', instead every challenge we face we always look at it from complex thought process (through magnifying glass). Thinking simple allows you to be lean, fail fast, pivot to new ways...

Ganesha seeks his father and asks for an alternative. This is a great learning, most of the time we do not approach anyone for help and try to solve it ourselves. Ganesha knows that Shiva is the "Adi yogi" himself, one who has no beginning or no end and one who has the knowledge about everything, so why not ask him for an idea. Of course , both the parents were delighted and offered him a solution.

Kumara returns defeated, and he asks his brother to be crowned not only because he won the race but because he also realized that Ganesha demonstrated his leadership through listening well, thinking simple and seeking help.

Ganesha's story is full of such mystic learnings one has to just look and learn

PRESIDENT'S TRAVELOGUE

Dear APTULU,

Namaskaram. I was in India in Aug visiting family and also squeezing time to represent APTA at various forums for building right APTULU connections for progressive of APTA. My sincere gratitude and Thanks to Shri Rathnakar Pandugayala Gaaru, Shri Gopala Gudapati Gaaru, Shri MVV Satyanarayana Gaaru (True Connect), Satish Bandikallu Gaaru (ACERT Chair), Bulli Kanakala Gaaru and Ravi Yanumala Gaaru (MA State Coordinator) for coordinating logistics for various meets in such a short span of time. I salute to their commitment and love towards our APTA organization

Overall APTA got solid reputation, brand and I am working towards solid organic growth in both Telugu states. This requires lot of commitment, personal time and build rapport with our APTULU. Please join your hands with me in this wonderful journey. I am confident that we can take APTA to next level.

It was indeed a happy evening having High Tea at Hyderabad with our society prides namely

1. Shri P V Rao, IRS
2. Shri Thota Chandrasekhar, IAS
3. Shri Ram Mohan Rao, IAS
4. Shri Gandhadar Madasu Ex MLC

Explained them about our APTA services and they are very much impressed with APTA's work.

Dinner Meet @ Shri Dr. Vinay Kumar Punjala Gaaru (S/O Shri Late P. Shiva Shankar Gaaru) Shri Dr. Vinay Kumar Punjala Gaaru (S/O Shri Late P. Shiv Shankar Gaaru) hosted dinner at his home

They extended full support to APTA and willing to host our APTA scholarship program in Hyderabad at their expense. Dr Vinay Gaaru visited US a year ago and APTA hosted in all major cities to speak about legendary personality and his father Late Shri P. Shiv Shankar Gaaru. He suggested inclusiveness is key even though however many new organizations arise APTA can be big brother and collaborate for APTULU's community growth and service to humanity. I concur with his comment.

Met with Minister Jakkampudi Raja and discussed how APTA can collaborate on some of the initiatives, he responded positively. This collaboration partnership needs to be developed further and require few more interactions to solidify and will take time to formalize. During AP CM's visit to USA our Board Chair Kiran Palla Gaaru and two more Board Directors will represent APTA on the same

topic. Hoping for positive outcome in near future

Genes-IT Meet was held on 18th August at Hotel Avasa , Madhapur, Hyderabad.

Take Away - There is a lot of interest and expectation on APTA to be the platform to bridge the gap between India and America on business opportunities, guidance on patents, Innovation Hub etc . Also provide Business forum platform for APTULU Entrepreneurs from India and America to interact on a common platform. This will help growing business and job opportunities for our APTULU organizations and also generate new jobs.

Shri Pallam Raju Gaaru spoke highly about APTA and how we conducted Business Forum successfully with all CEO's. Also Shri MH Rao Gaaru spoke highly about APTA and how APTA was instrumental

helping students and also serving people in need. He requested all attendees to provide their US relatives contacts to APTA and also introduce them to APTA. Overall this was well executed professional event. Perfect opportunity for APTA and got opportunity to present about our APTA services etc.

Met with KTB & Royal club peddalu, they are all very much interested in collaborating with the APTA in various forums

Lunch Meet with Shri Botcha Satyanarayana @ Vijayawada Sri Botcha Gaaru assured any help for APTULU or APTA that he will stand behind

Overall my India trip was successful and enriching experience for me learning about ground level reality in both Telugu states and how we can empower our APTULU and serve them better. This trip increased our APTA leadership responsibility. There is plenty of opportunity to bring new members to our organization. Please join your hands for our organization Organic growth. Lets all think strategically for organization progress and leave petty things. We are here to server our APTULU and for their growth in positive direction. Thanks to all who helped me in India for arranging various meets which helped in building positive relations for our APTA organization.

When it comes to giving, businessman and philanthropist Mr. Kota has one criteria: joy. Giving to charitable causes gives him enormous joy. In September of last year, Mr. Kota donated \$1 million to promote cricket for the blind worldwide. Some of the charities and non-profits Mr. Kota has worked include India Society of Worcester (ISW), YMCA and Samarthanam Trust. He has served as trustee and chairman of ISW, helped raise \$12 million to YMCA, one of the largest YMCA in boroughs in

Massachusetts. For 15 years, he has supported Woman of the Year gala that honors 20 women each year. In addition, his contributions to dozens of charities in India and the United States are well-known in philanthropic circles. Mr. Kota is a serial entrepreneur with broad experience ranging from Information Technology Consulting, e-Learning Services and Pharmaceuticals Research and Manufacturing. He has been involved in start-ups in various sectors, and is a charter membership of TiE Boston

For the first time in the United States, world eminent artists, Padmabhushans, and gurus, Drs. Raja, Radha Reddy and Kaushalya Reddy, presented their disciple's rangapravesam in the opulent California Theater in San Jose. A rangapravesam –in Sanskrit (it is also known as arangetram inTamil) – is a solo classical kuchipudi debut show spanning about two to three hours. San Jose witnessed a stunning, world-class show, which tantalized the audience with its multifariousness and diversity. For depicting the expansive range of kuchipudi, debutante Sindhu Ravuri was acclaimed by the audience, from pundits and cultural leaders frequenting kuchipudi circles to art lovers who are new to the genre.

The show started out with Ganpati Vandana (Hari Duri Gajamukha) – an item praising Lord Ganesha. Following the first item was Shiva Dance. Historically, this item is the hallmark of Dr.Raja Reddy.Third, was Bhamakalapam, a sringara kavya. As a stark contrast to the Shiva Dance, a powerful mastery of formidable nritya and nrutya (expressions and technique), Following Bhamakalapam was Saason Ki Maala, a Sufi song writ-

ten in the 16th century, Following Sanson Ki Mala, was Sita's Ramayana, exclusively choreographed for Sindhuby Dr. Raja Reddy. This dance is based on the book by Samhita Arni, which looks at Ramayana from Sita's perspective.

Sindhu Shivani Ravuri is a UC Berkeley undergraduate senior, double majoring in Bioengineering and Molecular Biology at UC Berkeley, California. Her goal is to become a fetal surgeon. Following her rangapravesam, she is determined to advancing kuchipudi in its purest form, following her gurus' footsteps. In the past, Sindhu received many national and international awards for her dance, both in classical and semi-classical formats. She is the recipient of International Certificate of Recognition from UNESCO and a "Letter of Recommendation" from the Director of UNESCO. She was recognized for Outstanding Achievement in Dance at the Santa Clara County Salute to Youth/Hall of Fame. Additionally, she was a member of her high school's Junior Varsity and Varsity dance teams, as well as the youngest performer in the history San Francisco Ethnic Dance Festival. With her kuchipudi gurus, she performed for the president and the Parliament of India and also performed in Russia and Germany.

Respected APTA,

I am Phaneendra kumar. I am studying B.Tech final year in Velagapudi Ramakrishna Siddhartha engineering college. I am one of the beneficiaries through the scholarship given by APTA. I got job in TCS.

My family status is economically very poor. My father used to struggle a lot to pay my and my sister college fee. I came to know through Raj Kollipara sir about APTA and I applied for the scholarship. APTA accepted my application and gave scholarship to me. After receiving scholarship from APTA the intention and passion towards my studies had been increased a lot.

That passion and confidence given by APTA made me to get this job. Thanks to APTA I cannot forget the help done by APTA in my life time.

I hope that all the students receiving scholarship from APTA will study hard and get good jobs and have glorious future. Everyone who work hard can achieve anything in their life.

In future, I will also associate with APTA and help to the students. I and my family were very thankful to APTA in our life time. I will be with APTA forever.

అప్పులందరికీ మెగా ఆత్మీయ అభినందనలు

ప్రతి ఏడాది మెగాస్టార్ శ్రీ చిరంజీవి జన్మదిన వేడుకలు తెలుగు రాష్ట్రాలలో ఘనంగా నిర్వహించడం సర్వసాధారణం. అయితే, అమెరికాలో వివిధ రాష్ట్రాలలో శ్రీ చిరంజీవి గారి జన్మదిన వేడుకలు, మెగా రక్తదాన శిబిరాలు నిర్వహించడం మాత్రం అసాధ్యమైన ప్రక్రియ. అలాంటి అసాధ్యాన్ని ప్రతి సుసాధ్యం చేసిన ఘనత అప్తాకు మాత్రమే దక్కుతుంది.

2019 సంవత్సరంలో కూడా అమెరికా దేశంలో శ్రీ చిరంజీవి గారి పుట్టినరోజు వేడుకలు సందర్భంగా వివిధ రాష్ట్రాలలో ఏర్పాటు చేసిన మెగా రక్తదాన శిబిరాలకు చాలా సంఖ్యలో విచ్చేసిన రక్తదానం చేసిన దాతలకు మరియు నిర్వాహకులకు, అప్తా నాయకులకు మరీ ముఖ్యంగా యువని బ్లడ్ డ్రైప్స్ చైర్మన్స్ కి విజయ రేపల్లె గారికి హృదయపూర్వక అభినందనలు.

జన్మదిన వేడుకల ఆనందం శ్రీ చిరంజీవి గారికి అప్తా అమెరికాలో చేసిన కార్యక్రమాలన్నీంటి గురించి వివరించడం జరిగింది. అంతేకాదు, అప్తా ఆధ్వర్యంలో అమెరికాలో మరియు తెలుగు రాష్ట్రాలలో జరుగుతున్న సేవా కార్యక్రమాలు... విద్యార్థులకు కిరీట గృహస్థ మరియు స్కీల్ డెవలప్ మెంట్, ఉద్యోగ సహాయం, వివాహ సహాయం, ఇమ్మిగ్రేషన్ తదితర అంశాలపై అందిస్తున్న సహాయం గురించి మరియు తెలుగు రాష్ట్రాలలో ప్రతిభ కలిగిన పేద విద్యార్థులకు అందిస్తున్న కోట్లాది రూపాయల ఆర్థిక సహాయం, ఉచిత వైద్య శిబిరాల నిర్వహణ, రక్తదాన శిబిరాలు మరీ ముఖ్యంగా గ్రామీణ ప్రాంతాల విద్యార్థులకు అందిస్తున్న కానిటర్ నాచికీన్స్ పంపిణీ తదితర సేవా కార్యక్రమాల గురించి మెగాస్టార్ శ్రీ చిరంజీవి గారికి వివరించడం జరిగింది.

వీటన్నిటినీ శ్రీ చిరంజీవి గారు ఆసక్తిగా వినడమే కాకుండా, మరిన్ని వివరాలు అడిగి మరీ తెలుసుకున్నారు. అంతేకాదు, అప్తాలో భాగస్వాములైన ఆత్మీయులందరికీ తన తరపున కళాదినందనలు తెలియజేయమని ప్రత్యేకంగా కోరారు

ఈ సందర్భంగా మరొక్కసారి అప్తా ఆత్మీయులందరికీ మెగాస్టార్ తరపున అభినందనలు మరియు

అఖిల భారత చిరంజీవి యువత తరపున కృతజ్ఞతలు తెలియజేసుకుంటూ...

ఈ మెగా అనుబంధం కలకాలం కొనసాగాలని మనస్ఫూర్తిగా కోరుకుంటూ...

మీ ..

MERRY CHRISTMAS

AND

A Happy New Year

అమెరికన్ ప్రొగ్రెసివ్ తెలుగు అసోసియేషన్

It's important to celebrate Children's day because children need recognition along with adults. Everyone likes to feel appreciated, and celebrating Children's day shows kids you care

Ella Todd

Children's day is important because children need to be celebrated; they are the leaders of tomorrow.

Annicka Koons

It is important to recognize Children's day because children are a large part of society and deserve appreciation from time to time

Ayva Todd

To child in you, we cherish and nurture. Divinity and innocence are the treasure of this childhood.. don't lose it else world loses its charm.. Happy Children's Day to all .. for the inner child in you too

Ramya Kothuri

The day where the youngsters of the world are celebrated is called children's day. Everyone live through the stage of being a child. It is a memorable part of ones life. It not only celebrates the children but it also shows them, they are loved in the world. It lets parents express how much they are loved and how grateful they are to have them in their life. November 14th a memorable day where the future of our society is celebrated
